ACKNOWLEDGEMENT

It is our proud privilege to present our project entitled “INCAGE”. We take this opportunity to express deep sense of gratitude to our guide, Dr. Mukesh dixit, HOD, SSOET, for his valuable guidance, inspiration and encouragement that has led to the successful completion of this work. We could not have accomplished, what We actually have, without his guidance.

We would like to express our heartfelt thanks and sense of gratitude to Prof. Kanchan Jha for being a constant source of inspiration. We are also thankful to all faculty members and staff of Sage School of Engineering & Technology for their suggestion and support.

We would like to deeply thank Our family and friends for all the support and encouragement they have rendered time to time.

Last but not the least, we dedicate Our work to almighty God without whose wish and helping hands this work would not have taken the shape it has now and also to Our family members whose support and encouragement had led us to complete this task.
